

Registration and Self-declaration during COVID-19 for GIRLS COACHING

The County agree to adhere to the Welsh Government, Wales Golf and Industry Guidelines to prevent the spread of COVID-19. All players and participants in attendance agree to comply with the COVID-19 regulations in place at the host venue.

Any person who suspects they may have COVID-19 (or has symptoms) should self isolate in accordance with government guidelines at the time of the session. Further advice available www.gov.wales

The County have a legal duty of care to our volunteers, members and visitors. We are required to pass contact details to NHS tracing when requested. These measures are necessary to implement industry protocol for safe play before, during and after play.

Social Distancing – Although this is currently no longer a legal requirement, we feel that participants/ parents/ guardians would feel more comfortable if some social distancing measures are applied during the sessions.

Golf Professional and County Junior Officer may divide sessions between covered range and outdoor areas depending of number of entries.

Girls must be accompanied to the venue by a Parent/guardian. Adults may remain within the activity area during these sessions. Preferably only ONE parent/guardian should remain in the coaching area.

Travel to the club - Participants are to be encouraged to follow best practice for travel. Refer to current government guidelines.

Face coverings – to be worn in accordance with government guidelines in force at the time of the coaching session. (Exemptions as per government guidelines)

Test, trace and Protect (TTP) - Contact details of attendees will be collected in line with the Gov., Test, Trace and Protect strategy.

Additional measures The County have put in place are:

- Participants should book with the County Junior Organiser prior to attendance.
- Participants/parents/guardians will be required to “self declare” whether there is any reason they would not be permitted to be at the activity – (*see exclusion criteria on the **Self Isolation and Symptom Checklist** below*).
- The required documentation should be completed at first session including parental consents, contact details and child health declaration
- A register of all those present in the activity area will be taken (information will be retained for TTP purposes)
- Payments preferably to be made via BACS. Parents will be provided with a unique reference to be used when payment is made. Preferably no cash/cheques.
- Sessions will take place outdoors, covered driving range bays on the putting/chipping area

PLEASE NOTE.

- Wash hands regularly. Carry your own hand sanitiser at all times.
- Ideally girls should only use their own equipment. Any sharing of equipment should be kept to a minimum and be sanitised in between each user.

Self-declaration checklist

We are doing all we can to protect our volunteers and participants while the coronavirus outbreak is still ongoing. All participants and parents/guardians must be familiar with the following information

We are asking all participants parents/guardians not to attend the session if they should be self-isolating. Contact information for all those who attend will be collected.

Self Isolation and Symptom Checklist

You must **NOT** turn up to the coaching session if you, or a member of your extended household has:

- any symptoms of Coronavirus (COVID 19).

The main symptoms of Coronavirus are:

- ✓ **High temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature).
- ✓ **New, continuous cough** – this means coughing a lot for more than an hour, or three or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual).
- ✓ **Loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal.

You must **NOT** turn up to the coaching session if you, or a member of your extended household:

- Have tested positive for Coronavirus and have not ended your isolation period.
- Are waiting for the result of a Coronavirus test.
- If you have been contacted by a contact tracer from the NHS Wales Test, Trace and Protect Programme and told to isolate
- If there are any additional local restrictions prohibiting you from travelling out of your Local Authority.
- Travelled to a country that requires quarantine on return to the UK. A list of countries can be found on government website
